

Planning Rides

We are always open to different places to ride together as a Chapter. We are reaching out to you as members to help us. Below are some frequently asked questions, hopefully this will help you out.

- 1. Do you have to be a Road Captain to lead a ride?**
 - a. No, you do not need to be a Road Captain to lead a ride. Road Captains are there to assist you, if you want or need help.**
- 2. I have a ride I would like to do but I do not know how to lead.**
 - a. This is not a problem if you have a ride. Please let us know and we will help you.**
 - b. If you want to lead a ride but don't know how to lead. Ask any of the Road Captains. We can place a Road Captain in the second position to help watch the group and they can assist and help you from there. Or if there is time one of us may even be able to help with the pre-ride.**
- 3. If you do not want to lead a ride that you planned.**
 - a. No problem, just ask any of the Road Captain's. They will lead it for you or find someone that is available to lead it.**
- 4. What if only a few people show up for my ride is it a failure?**
 - a. We never judge our rides by the amount of people. A good ride is a safe ride where everyone has fun.**
- 5. What if I want to do a short notice ride?**
 - a. Short notice or Impromptu rides are good, just contact the Activities Officer with the ride details and they will send out a mass e-mail to everyone on the list. If you want to make sure you have a Road Captain on the ride contact any of our Road Captains and we will do our best to find someone for you.**
- 6. Does my ride have to leave from the dealership?**
 - a. No if you want to leave from somewhere else other than the dealership you can do that, make sure the details are included with your ride notice.**

In conclusion, do you have a favorite place to eat? Your first ride experience could be breakfast, brunch, or dinner even Ice Cream. These rides are easy to plan and with our chapter our motto has been "To Ride and Have Fun". Please let one of the Road Captains know what you want to plan and we can assist and make it happen.
